

**REMARKS**

The amendments to the claims are being made in order to correct format inconsistencies. Claims 1-20 are canceled without prejudice. No new matter is added. The sequence of the original set of claims is being altered to more closely conform to US practice and is not being limited due to prosecution. Minor corrections to original claims 15 and 16 (now new claims 39 and 34 respectively) were made to properly assert an antecedent basis.

Respectfully submitted,

Takayuki OCHIAI et al.
